

FOCUS

THE NATION

Global Warming Solutions for America

A National Initiative to Promote Climate Change Awareness Comes to UNC

January 30th

Pre-Focus the Nation Events
(Great Hall of the Student Union)

6 pm ~ Environmental Social
Meet local governmental leaders, environmental faculty, and other leaders on and off campus. Beverages and finger food will be served.

7 pm ~ Governmental Panel
Hear local and state government leaders discuss solutions to climate change.

Featuring: Robert Cox (Sierra Club Pres.), Mark Chilton (Carrboro Mayor), Ty Harrell (NC Representative), Pricey Harrison (NC Representative), and Eleanor Kinnaird (NC Senator)

8 pm ~ "The 2% Solution" Webcast
Can we as a nation cut global warming pollution 2% a year for the next decade? If so, what would it take?

January 31st

National FOCUS the Nation Day!

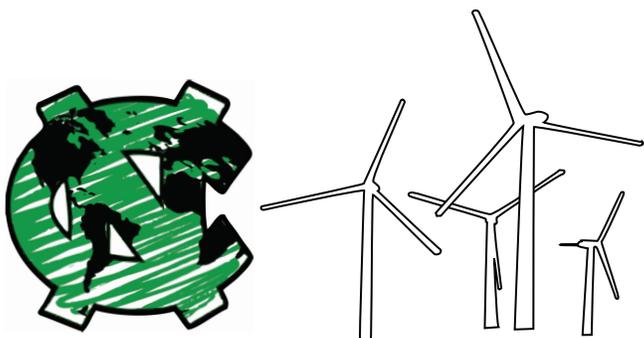

10 am ~ Tour of UNC's Power Plant (Power Plant)
Tour our University's energy-saving plant, where UNC gets its power and one of the most efficient coal powered plants in the country!

11 am - 5 pm ~ Focus the Nation Carnival
Student music and dance performances, Climate Change Faculty Panel, and various other environmental speakers. (See detailed schedule for full list of events: <http://www.focusthenation.freewebspace.com/>)

4pm ~Tour of the Global Education Center (Global Ed)
Get a behind-the-scenes look at the newest green building on campus!!

7 pm ~ Basketball Game Viewing
UNC vs. Boston College. No tickets? No problem! Bring friends to the Great Hall and cheer our guys to victory on the big screen!

10 pm ~ "Save the Ales"
Come by W.B. Yeats to celebrate our cause and learn how climate change will affect our brews and groove to a live band! Sponsored by Epsilon Eta.

**Orange County has officially proclaimed January 31, 2008 as Orange County Climate Change Awareness Day! (A joint declaration of Chapel Hill and Carrboro coming soon!) **
