

Physics 2205
Modifications to Syllabus So Far

9 November, 1999

This is a temporary handout which we won't distribute in class. A more complete version will be distributed at the end of the semester.

This list might help in your studies.

Chapter	Sections covered
5	1-3, 6-8 9*
6	1, 3-10
7	1-8, (9)
8	1-5, (7-8)
9	1-4
10	1-7
11	1-4, (5-6), 7-9, 11-12
12	1-2, 5*, 7-8

Sections in parentheses were skimmed or covered briefly and do not contain equations which will appear on the exams. Sections with asterisks are sections we looked at despite the fact that they weren't on the syllabus.
